

Trade name: **SIMOLIFE EVA flex**

Revision: 07.09.2016

Date of printing: 17.01.2023

1. Identification of substance/ preparation and company	Manufacturer details: SIMONA AG Teichweg 16 D-55606 Kirn Phone: +49 (0) 67 52 14-0 Fax: +49 (0) 67 52 14-211
2. Hazards identification	unknown
3. Composition / Information on ingredients	Chemical characteristics: copolymer of ethylene and vinyl acetate CAS number: not applicable
4. First-aid measures	General comment: medical aid is not necessary First-aid measures: none Routes of exposure: none Symptoms /effects: none
5. Firefighting measures	In case of fire, please use gas mask and self-contained breathing apparatus. Fire residues must be disposed of in accordance with local regulations. Suitable extinguishing media: water haze, foam, fire fighting powder Hazard warning notice: not applicable
6. Accidental release measures	Person-related measures: none Environmental protection measures: not applicable Cleaning equipment: not applicable Unsuitable cleaning products: not applicable
7. Handling and storage	Handling: no special regulations to be observed Storage: storable for an unlimited period
8. Exposure controls / Personal protection	Special design of techn. processing facilities: not required Tolerance levels: none Exposure assessment: none Respiratory protection: not required Eye protection: not required Body protection: not required
9. Physical and chemical properties	<u>Phenotype</u> Physical state: semi-finished product, solid state Colour: natural, skin-coloured Odour: not applicable  <u>Change of state</u> Flash point: not applicable  <u>Other remarks</u> Density: 0.930 g/cm <sup>3</sup>
10. Stability and reactivity	Thermal decomposition: above appr. 300°C Hazardous decomposition products: Besides carbon black also carbon dioxide and water as well as other dangerous products will develop during the burning process. In case of

	incomplete burning also carbon monoxide and acetic acid may arise. Use of stabilisers: none Exothermic reactions: none Notices regarding state of aggregation: none Conditions to be avoided: none Substances/media to be avoided: none
11. Toxicological information	No hazardous effects on health were observed over several years of usage.
12. Ecological information	No biodegradation, no solubility in water, no hazardous effects on the environment are to be expected. Mobility: not applicable Accumulation: not applicable Eco-toxicity: not applicable
13. Disposal considerations	Can be recycled or can be disposed of together with household rubbish (acc. to local regulations). Waste key for the unused product: EAK-Code 120 105
14. Transport information	No dangerous product in respect to / according to transport regulations Notice/symbol transport containers: none Special marking for containers: none
15. Regulatory information	Marking according to GefStoffV/EG: no obligation for marking Water danger class: class 0 (self classification) Domestic requirements to be observed: none
16. Other information	This information solely describes the safety requirements of the product(s) and is based on our current state of knowledge. It does not give any assurance concerning the product(s) described within the meaning of statutory warranty regulations.
